## V. General instructions

- a. **Preferably 10% of the participants may be industry professionals deputed by industry. Further, not more than 2 participants shall be from the host institution/group of institutions.**
- b. **Money to be reimbursed on the grant (for any reasons to include unspent amount, interest , penalty if imposed) shall be refunded back to AICTE in the form of Demand Draft payable to Member Secretary, AICTE, New Delhi.**
- c. **As AICTE needs adequate time for depositing the Demand Draft in the bank, the same be immediately dispatched to avoid any lapse of the validity period.**
- d. **The STTP is a residential program of a duration of six days with minimum 40 participants.** The approved STTP shall be conducted within three months from the date of release of funds.
- e. **If programme is not conducted in the period of three months of the issuance of this Sanction Order, the released amount, alongwith interest accrued thereon, has to be necessarily returned back to AICTE within a month.**
- f. The expenditure under the Heads '**Honorarium to Course Coordinator**' and '**Honorarium to Resource Persons**' shall not exceed **1% & 20% respectively** of the total sanctioned grant for the Programme. However, overall expenditure shall not exceed the funds sanctioned for the Programme.

- g. Any extra money required to complete the programme must be borne by the institute from their own resources. But the quality of the activities should not be compromised.
- h. Any unavoidable circumstantial change in the program with respect to name of Project Coordinator, Venue and date for organizing STTP would mandatorily require prior approval of the Council. All such requests should be addressed to AICTE, in advance, recording the specific reasons for proposed changes, failing which the offer for the grant already issued would be treated as automatically withdrawn and the financial assistance released in favour of the beneficiary institution shall be refunded immediately to the Council. Kindly mention the File No. 34-65/146/RIFD/STTP/Policy-1/2018-19 in your future correspondence.
- i. **Program Evaluation Committee (PEC)** is required to be constituted at institutional level. The constitution of the PEC shall be as under:
- (i) Principal/Director/Registrar of the institution (Chairperson).
  - (ii) Coordinator of the program (Member Secretary).
  - (iii) Two HoDs and one subject expert (members).
- The members of the said PEC shall not be below the rank of Associate Professor. A test shall be conducted by Program Evaluation Committee (PEC) at the end of the program and the certificates shall be issued to those participants who have attended the program and have qualified in the test. The minutes of the meetings, along with PEC report, are to be submitted to the Council at end of the program along with other mandatory documents.
- j. **GoI GFR rules** (@<https://doe.gov.in/order-circular/general-financial-rules2017-0>) should be followed during utilization of grant.
- k. This Sanction Order may be treated as Offer Letter for all purposes.

**NOTE:- Any deviation from the above will invoke serious action against the Institute.**

Yours sincerely,

**Sub:-For information of AICTE approved institutes which have received grants for conducting STTP's/FDP's under AQIS 2018-19.**

Sir,

This is in reference to grants released by AICTE under AQIS 2018-19 for conduct of STTP's/FDPs. It is being observed that due to present circumstances of ongoing pandemic of COVID-19, most of Institutes are facing difficulties in organizing and conducting STTP's. This office has received a number of requests from various institute to allow on line method of conducting STTP/FDP to complete their commitments.

In this regard, it is to inform that all such institutes, which have already received grants for conducting STTP's/FDPs through prevailing contact mode, are **allowed to conduct STTP's through online mode subject to following conditions:**

- (i) The Institute will be allowed to adjust the grants received for STTP at following rates:-

a.	Honorarium for Coordinator	Rs. 5000.00
b.	Honorarium to experts	Rs. 75000.00
c.	Provision for payment to lab attendant engaged during lab practices	Rs. 3000.00
d.	miscellaneous charge	Rs. 10000.00
	<b>Total for each STTP's</b>	<b>Rs 93000.00</b>

- (ii) The Institute will conduct more than one STTP's in multiples of Rs. 93000.00 within the total grant received by it and shall return the balance unspent amount to AICTE.

e.g.

if an Institute has received grant for STTP,	=Rs 3,00,000.00
Cost of three STTP	3x93000= Rs. 279000.00
<b>Balance</b>	<b>= Rs. 21,000.00</b>

The institute will return the balance unspent amount of Rs.21,000.00 alongwith interest earned on such amounts to AICTE while submitting UC for adjustment of accounts for keeping its eligibility for receiving grants in next AQIS.

सूचना का  
अधिकार

- (iii) The institute will conduct all three STTP's as explained above on the same topic which has been approved by AICTE while releasing the grants.
- (iv) Firm dates for each program will be intimated to AICTE beforehand.

On similar lines FDP (02 week program) to be conducted online has the following approval totaling to Rs. 1,86,000.00.

a.	Honorarium for Coordinator	Rs. 5000.00
b.	Honorarium to experts	Rs. 1,68,000.00
c.	Provision for payment to lab attendant engaged during lab practices	Rs. 3000.00
d.	miscellaneous charge	Rs. 10000.00
	<b>Total for each FDPs</b>	<b>Rs 1,86,000.00</b>

The conducting of FDP's (two weeks program) shall be subjected to the similar conditions (i) to (iv) given above for conduct STTP courses, except rates of Honorarium to experts.

You are requested to acknowledge receipt of above guidelines and convey your consent if your institute is ready for conducting the STTP through online format on conditions explained above.

**It is once again reiterated that online conduct of FDP & STTP will be on explicit permission of AICTE.**

Yours sincerely,

25 June 2020  
Director (FDC)

## **ABOUT THE INSTITUTE & DEPARTMENT**

Guru Nanak Dev Engineering College, Ludhiana (An Autonomous College under UGC Act), established in 1956, oldest and premier institute of Punjab, is providing education in the field of engineering by comprehending the need for up-liftment of rural youth in highly competitive, technologically-elevated society, in particular, and understanding the thirst for knowledge of students and quenching it in general. The College has been declared an Autonomous College by UGC, New Delhi in 2012. This college has the privilege of starting Ph.D. degree under Quality Improvement Programme (QIP) by AICTE, New Delhi. Apart from offering various Accredited graduate level B.Tech. courses vis-a-vis Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Communication Engineering, Mechanical Engineering, Production Engineering, Information Technology; the institute imparts instruction in eleven Postgraduate M.Tech. courses both on regular and part time basis. An excellent platform is provided to the researchers leading to Ph.D. degree program.

Department of Information Technology was established in 2001. Since its inception, the department has contributed in a big way to the society by providing technical manpower for various fields in India and abroad. Around 1000 graduates and 100 post graduates from the department are settled in very good positions all over the Globe. At present, the department is proud to get best merit students in the region. The faculty of the department continues to provide new frontiers of technical knowledge to the students by imparting quality education and research. The UG course is NBA accredited and is keeping pace with the latest developments in engineering education. Department offers B.Tech. (IT), M.Tech. (IT) and M.Tech. (CS&IT) programmes.

## **ABOUT THE AICTE-AQIS**

This One Week Short Term Training Programme (STTP) intends to conduct faculty training through financial assistance from AICTE under Quality Improvement Scheme (AQIS), to enable faculty members in the field of technical education to introspect and learn techniques that can help prepare students for active and successful participants in a knowledge society.

## **ABOUT THE STTP**

Cyberspace is the connected Internet Ecosystem. Cyber Intrusions and attacks have increased dramatically over the last decade, exposing sensitive personal and business information, disrupting critical operation, and imposing high cost on the economy. Cyber security is protecting our cyber space (critical infrastructure) from attack, damage, misuse and economic espionage. India ranks 3<sup>rd</sup> in terms of highest number of internet users in the world after USA and China, the number has grown 6-fold between 2012-2017 with a compound annual growth rate of 44%. India secures a spot amongst the top 10 spam-sending countries in the world alongside USA. India was ranked among the top five countries to be affected by cybercrime, according to a 22 October 2017 report by online security firm "Symantec Corp". Dynamics of threats/ resilience, various cyber security concerns and challenges with anatomy of attack/vulnerabilities and the future technologies for the security will be shared in the proposed programme.

### ***Programme Objectives:***

- ✚ To expose the faculty/ research scholars/ professionals to develop their competency and expertise over security and networking.
- ✚ To provide the knowledge about the ongoing scenario in the area of cyber security.
- ✚ To introduce with various computer and cyber security threats such as identity theft, phishing attacks, email hoaxes, loss of confidential information and social engineering.

### ***Programme Contents:***

- Proactive Cyber Security
- Fairness issues in e-commerce Platforms
- Fraud Detection & Bank Frauds
- Performance Enhancement of Public/Unsecure Wi-Fi to Protect from Cyber Attacks
- Malware Detection & Mitigation
- Deploying Web Server and Database in VPC in Secure Manner
- Investigating Cyber Security Techniques for IoT
- Enabling Collaborative Processing with the IoT for the Industry 4.0
- Radio Frequency Hacking with SDR
- Information Security use cases with practical demos and Live Email Phishing Attacks

- Use of Cyrillic Scripts in InfoSec Attacks and their Technology Solutions
- Computer Forensics
- Counterfeit Electronics Detection: Challenge and Opportunities
- Data Privacy Anonymization Techniques, Block Cipher, Pseudo Random Bit Generator, and
- Stress Management, etc.

### ***Expected Outcomes:***

- Familiarity regarding the Procedures to Secure Internet and Intranets, Securing E-Transactions, Confidential Data Security and Email Security
- Firewalls implementation to protecting systems along with backup and data recovery
- Knowledge attainment regarding Information Security, Legal Compliance, Securing Social Networks and E-Resources

## **Report of Steering Committee/ Project Monitoring Committee (PMC)**

It is submitted that a Short Term Training Programme (STTP) was conducted under AQIS 2018-19 on the title “Cyber Security-Current Trends and Future Perspective” (Ref. No. 34-65/146/RIFD/STTP/Policy-1/2018-19 dated 12<sup>th</sup> December 2019). This programme conducted by the Department of Information Technology, Guru Nanak Dev Engineering College, Ludhiana during 14<sup>th</sup> December to 19<sup>th</sup> December 2020 through ZOOM App was:

1. Well planned in terms of Resources. ZOOM App (subscription of the college) was used for the conduct of this programme. The sessions were recorded and uploaded on GNDEC YouTube Channel and also preserved on the Hard Disk.
2. There was proper coverage of the programme in news reports.
3. The resource persons of the programme were from: IIT Kharagpur, SVNIT Surat, MNNIT Allahabad, UIT RGPV Bhaopal, HackersEra SDN Malaysia, Income Tax Directorate Ghaziabad, GFSU Gandhinagar, LNMIIT Jaipur, CDAC Hyderabad, GNDEC Ludhiana and Unet Solutions Moga
4. Participants from approximately all state of the nation participated in this programme.
5. The interactions of our team with the participants disclosed that the participants were highly satisfied in terms of content delivery of the programme.
6. The test was conducted in the presence of PMC members and there was complete discipline and environment of examination system. The link of examination was closed at proper timing and immediate scores were released among the participants, after the examination.
7. E-Certificates were issued to those candidates who have scored more than 60% in the evaluation with name and logo of both AICTE and the Institute.
8. In the valedictory function, the open feedback by some of the participants disclosed that the programme on “Cyber Security-Current Trends and Future Perspective” was: i) need of the participants, ii) Delivery by resource persons was highly satisfactory. The programme was organized in college hours through online mode.
