3	2203784-2203803	A1	05.10.2023, 1.30PM-3.30PM	WD Lab
4	2203819-2203838	A2	05.10.2023, 1.30PM-3.30PM	PL-1 Lab
5	2203883-2204027	B2	10.10.2023, 10.30AM-12.30PM	PL-1 Lab
6	2203884-2203901	B1	12.10.2023, 8.30AM-10.30AM	HW Lab
7	2203804-2203818	A1	12.10.2023, 1.30PM-3.30PM	WD Lab
8	2203838-2203861	A2	12.10.2023, 1.30PM-3.30PM	PL-1 Lab

General Instructions: Students will have to present their training work by making a power point presentation which should be of minimum 15 minutes. Students may present their work individually or in a group of two students. If the student(s) designed/developed any project in the period of their training then their project (Hardware/ Software) must be in working condition. The present audience can ask meaningful questions from the presenters. Students should come in formal attire at the time of Presentation. Students need to submit one hard bound file per individual/ group at the time of External Viva Voce. The specifications of the file are as follows:
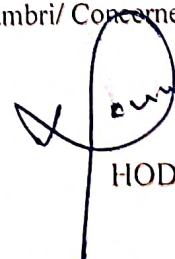

a. File must be in the specified format which is given by the department.

b. Number of pages for TR-101 training report must not be less than 28.

c. The color scheme for the outer binding of the file to be presented in external viva-voce must be Sky Blue.

Details of this course are available at https://www.tnpgndec.com/showPost/3170.

For any queries, the students may contact Prof. Amit Kamra/ Prof. Pankaj Bhambri/ Concerned Mentor.
