

GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA

TECHNICAL ACTIVITY COMMITTEE

Ref. GNDEC/TAC/2020-21/016

December 2, 2020

ICT Academy: Skill Edge

The college has signed a MoU with ICT academy. In continuation of the activities being conducted with ICT academy in Association with its Industry partners is launching a new initiative exclusive for the 1st year and 2nd year students of its Members Institutes "ICT Academy Skill Edge". This program is designed to be a supplementary knowledge that will be provided to students to impart basic knowledge in them about the advanced subjects that will be taught to them in the upcoming future. There is NO COURSE FEE for these industry oriented programs.

Few of the courses offered with their duration are as follows:

Principles of Design thinking	15hours
Getting started with RPA	02 hours
Cloud computing 101	10hours
Introduction to cyber security	10hours
Data Literacy Program	10hours

Students can register using the following link

<http://www.ictacademy.in/skilledge/register/student.aspx>

Last date to register is 5th December,2020.

We would request all advisors of first and second year to intimate the students to enroll for these free courses.
