No. IT.12/1165   Dated: 19.07.2021
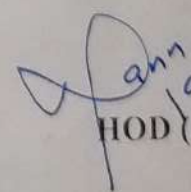

Notice

Department of Information Technology is offering online courses through Spoken Tutorial by IIT Bombay, to the students currently in 2nd Semester, in place of institutional and industrial training (01 credit) after these semesters as per the study scheme of these batches (2018 onwards). The detail of the training course and the faculty team to organize this training is as under:

Semester	Course Code	Course	Training Course	Faculty Team
2nd	TR-101	Training-1	1. C and C++ 2. Advance C 3. Advance C++ To be Conducted Through Spoken Tutorials by IIT Bombay	**Training Coordinator:** Dr. Pankaj Bhambri **Members:** Dr. Pradeep Jaswal Prof. Parminder Kaur Wadhwa Prof. Mohanjit Kaur Prof. Sidharath Jain Prof. Rupinder Kaur Prof. Harjot Kaur Prof. Jagdeep Singh

These courses will be offered to students through guru.gndec.ac.in from 26.07.2021 to 21.08.2021. Students will have to actively participate in continuous evaluation (like Assignments, Programming Exercises, Quizzes, Discussion Forums, Viva-voce, Mini Project etc.) and also qualify for the certification examination that Spoken Tutorial officials will conduct (in case of Spoken Tutorial Course). Students will have to prepare a training report as per the guidelines issued by college course coordinators. Internal evaluation will be based on the continuous evaluation by college course coordinators and marks obtained in the examination conducted by Spoken Tutorial – IIT Bombay. Training for these courses will be started through https://guru.gndec.ac.in from 26.07.2021. The training coordinator is requested to assign the duties to the respective team members to organize the training in a smooth and disciplined manner.
