Highest

Respected Sir/ Madam,

Greetings from IIT Delhi.

IIT Delhi has instituted a prestigious Summer Fellowship Research Programme (SFRP-2020) for the UG/PG engineering students of approved TEQIP-III engineering college/ institutions to interact and work with IIT Delhi faculty and get exposure to the equipment and lab facilities associated with the faculty. This programme provides an opportunity to exceptionally good undergraduate/ postgraduate students to execute an innovative research and development project under the guidance of IIT Delhi faculty during May 19th, 2020 - July 10th, 2020.

You are requested to bring this to the notice of all interested UG/PG engineering students and encourage them to participate in this programme.

Support:

- Cost of travel (max. 3rd AC train fare as per actual or equivalent) will be reimbursed.
- Stay at IIT Delhi during the visit, including boarding and lodging in the Institute hostels on sharing basis with basic facility; and
- Fellowship/contingency of ₹500/- per week (Max. upto ₹2000/- only).

More details about the programme can be accessed on our website under Technical Education Quality Improvement Programme (TEQIP-III) head.
